SPECIAL MILESTONE

“A unique opportunity to engage with and learn from the market leaders in the field. An essential diary date for anyone interested in this area of the law.”

Mike Brookes Lee & Thompson LLP

Conference5RB 2016 is a milestone. Ten years ago, in 2006, 5RB decided to organise the first Conference5RB. Now established and recognised as the leading conference in our area of law, Conference5RB is a full-day event with expert insight from members of chambers and guest speakers on the key issues being faced by practitioners today in defamation, privacy, data protection, harassment and contempt.

Conference5RB will include plenary sessions with discussions and Questions and Answers on the hot topics in these areas of law including the impact Brexit may have on media law, as well as smaller breakout sessions where members of chambers will give practical advice on specialist issues.

KEYNOTE SPEAKER

We welcome **Sir Alan Moses**, Chair of IPSO, who will share his insights.

Sir Alan is a former Lord Justice of Appeal. He previously served as Presiding Judge of the South Eastern Circuit. In September 2014 he became the first chairman of the Independent Press

Standards Organisation (IPSO) and in this capacity he chairs both the Board of Directors and the Complaints Commission.

He is an external member of the Council of the Royal Academy of Arts; a trustee of the Pilgrim Trust; and a Board member and former Chairman of Spitalfields Music.
