

Welcome To

Welcome to ... the dungeon of despair, the tube of turbulence, the concrete coffin, a capsule of stillness, the confine crypt, an apartment of heartache, a secure dog kennel, a pit of pain, a bed of boredom, a tiny toilet, an un-stately home, a colourless chasm, a human sardine space, a flat of fate, a narrow-barge of emotion, an unventilated view, a garden shed for the dead, a steel cage of storm, a reinforced cupboard, a vault of unconsciousness, a tunnel of torment, a locked, cramped cabin, an atomic bomb of annoyance, a curtain-less cubicle, a bolted cradle, a den of dreams, an ant cinema, a world inside a world, a ravine of self-discovery, an ocean where giant tidal waves of feeling are violently lashed ashore, a step-aside perspective, a rollercoaster voyage, a journey you would rather forget, but in your heart you know it is forever set.
